

**Contemporary Jazz Orchestra Brings Big Band Sounds to Intimate
Rasselas Jazz Club
15-piece Orchestra Performs each Tuesday**

Rasselas Jazz Club, the Fillmore District's 7-night-a-week live music club is now home to the big band sound of the 15-piece Contemporary Jazz Orchestra (CJO) each Tuesday.

Be prepared for a rich winds and bold sounds from this band of talented musicians that is composed of five saxophones, four trombones and four trumpets, along with a piano, bass and drums. Together they create rich, electric sounds that will get you on your feet and dancing. CJO plays jazz standards alongside original compositions.

Rarely can you hear such a large band perform in such a small, intimate venue. That casual atmosphere comes alive as band members recognize and pull fellow musicians from the audience to sit in and play with the band. Once a regular at the now defunct Pearl's Jazz Club in North Beach, CJO now is a fixture in The Fillmore District.

Contemporary Jazz Orchestra plays from 8pm to 10pm each Tuesday, with no cover.
